

The Malaysian Hash Council (MHC) was founded in 1996 by a group of senior hashers with the following purpose:

- To promote the orderly development of Hash chapters in Malaysia with a view to sustain the traditions of hash activities as envisaged by our founding fathers.
- To maintain a register of affiliated hash clubs in Malaysia and recognise new hash clubs.
- To resurrect the “Hash House” to serve as the home for hashers worldwide and the office for the Malaysian Hash Federation.

Council’s membership as at 31st December 2020 stands at 227 affiliates which are affiliated with the Registrar of Societies in Malaysia.

The bi-annual election of the Malaysian Hash Council takes place during the Malaysian Nash Hash event which takes place every 2 years.

**MALAYSIAN HASH COUNCIL MEMBERS
YEAR 2020 -**
